

Tabor Academy Summer Camp

2027 ACTIVITY OFFERINGS

Art Exploration

Explore a variety of art materials, techniques, and creative processes while developing your own artistic voice. Campers will experiment, build skills, learn about visual expression, and have opportunities to share and display their work.

Archery (5th to 10th grade)

Learn the fundamentals of archery in a structured, safety-focused environment. Campers will practice proper range procedures, stance, aim, and release while developing concentration, coordination, and consistency.

Baseball

Build skills in throwing, hitting, fielding, base running, and pitching through instruction, drills, and game play. Campers will strengthen their understanding of the game while developing teamwork, sportsmanship, and confidence on the field.

Basketball

Develop fundamental basketball skills through drills, games, and team play. Campers will work on ball handling, shooting, passing, offense, and defense while learning communication, teamwork, and smart decision-making on the court.

Ceramics **2-week consecutive enrollment commitment required.*

Work with clay while learning both hand-building and wheel-throwing techniques. Campers may create pinch pots, sculptural pieces, and wheel-thrown forms while exploring surface design, glazing, and the firing process. During the final camp week, projects may use air-drying clay when kiln firing is not possible.

Chess

Develop strategic thinking through chess instruction, puzzles, and game play. Campers will strengthen skills in planning, pattern recognition, problem-solving, and decision-making while learning to anticipate moves and adapt their strategy.

Crack the Cube

Learn the patterns, strategies, and problem-solving techniques used to solve a Rubik's Cube™. Campers will work step by step toward completing the cube while developing spatial reasoning, memory, persistence, and logical thinking.

Craft Creations

Experiment with a wide range of hands-on craft techniques and materials. Projects may include sewing, painting, jewelry making, woodburning, sculpture, mixed-media creations, and more, giving campers plenty of opportunities to develop new skills and make something uniquely their own.

Digital Media

Explore the basics of digital media through hands-on activities in photography, video, and digital storytelling. Campers may experiment with taking photos, filming short videos, editing, and exploring how media is used to share stories and ideas. Activities will be guided by camper interests, with opportunities to try different creative techniques, develop new skills, and express their creativity.

Drama

Explore acting, improvisation, movement, character development, and ensemble work in a supportive, non-competitive setting. Campers will build confidence and communication skills while working together toward a short performance for fellow campers and families at the end of the week.

Drama – Advanced! **2-week consecutive enrollment commitment required.*

Designed for campers ready to take their theater skills further, Advanced Drama offers a more in-depth exploration of acting, character development, scene work, movement, and ensemble performance. Over two consecutive weeks, campers will rehearse and develop a more substantial performance while strengthening stage presence, collaboration, and creative expression.

Flag Football (4th to 10th grade)

Learn the fundamentals of flag football through drills, skill development, and game play. Campers will practice passing, receiving, route running, formations, and defensive strategies while building agility, teamwork, and an understanding of the game in a non-contact format.

Kayaking

Develop paddling skills, water awareness, and confidence on Sippican Harbor. Campers will learn kayaking techniques and safety practices through instruction, games, and on-water exploration, with opportunities to put their skills to use on short harbor excursions.

Nature Quest

Explore the outdoors through hands-on activities that encourage curiosity, observation, and a deeper connection with the natural world. Campers may hike local trails, investigate coastal habitats, create nature-inspired art, grow microgreens, and take part in other activities inspired by the environment around Tabor.

Paddleboarding

Learn the fundamentals of stand-up paddleboarding while exploring the waters of Sippican Harbor. Campers will practice balance, paddling techniques, steering, and water safety while building confidence and enjoying time on the water.

Soccer

Develop technical skills and a stronger understanding of the game through drills, small-sided activities, and match play. Campers will work on passing, dribbling, shooting, defending, positioning, and teamwork in an energetic and supportive environment.

Squash

Learn the fundamentals of squash while developing coordination, agility, and strategic thinking. Campers will practice racquet skills, serves, movement, shot placement, and game play, with instruction adapted to their experience level.

Swimming

Enjoy swimming in Sippican Harbor while strengthening water confidence, safety awareness, and swim skills. Under the supervision of trained lifeguards, campers will practice foundational strokes and water-safety techniques while enjoying time at Tabor's swim dock and float. Personal flotation devices (PFDs) may be required based on a camper's swimming ability.

Tennis

Whether new to the game or an experienced player, campers will receive instruction matched to their ability level. Through drills, skill development, and match play, players will work on strokes, footwork, serving, strategy, and overall court awareness.

Ultimate Frisbee

Learn the fundamentals of this fast-moving, non-contact team sport while developing throwing, catching, movement, and field awareness. Campers will practice backhands, flicks, and other techniques before putting their skills into action through team games on Tabor's fields.

Signing Up and Choosing Activities

- Once enrolled, an activity selection form will appear in your CamplnTouch account.
- Half-Day TSC Campers: Rank 5 choices; 3 will be scheduled.
- Full-Day TSC Campers: Rank 8 choices; 5 will be scheduled.
- List activities in order of preference, starting with Choice #1. We do our best to honor requests; placement is not guaranteed.
- Grade restrictions are based on the grade campers will enter in Fall 2027.
- Some activities require consecutive periods and may occupy more than one activity slot.

Important Notes

- Schedules are finalized the week before each session and are provided to campers on their first day.
- Activities are non-competitive and beginner-friendly unless otherwise noted.
- Water Activities and Ocean & Climate Institute: Campers must be comfortable in and around water and pass a swim test.
- Tabor provides all activity equipment. Personal equipment is welcome if clearly labeled; do not bring archery equipment.
- Activities are subject to change based on camper interest and staffing.
